(1) Existing law requires the Labor Commissioner to establish and maintain a workers' compensation insurance coverage program for targeting employers in industries with the highest incidence of unlawfully uninsured employers and annually report to the Legislature concerning the effectiveness of the program. The report is required to include specified information.

The bill would revise the reporting requirements to, among other things, require the report to be posted on the Labor Commissioner's Web site.

This bill would also authorize these funds to be used for the enforcement of the insurance coverage program maintained by the Labor Commissioner.

(3) Existing law requires the Director of Employment Development to permit the use of any information in his or her possession to the extent necessary for specified purposes.

This bill would additionally require the director to permit the use of any information in his or her possession to the extent necessary to enable the Labor Commissioner of the Division of Labor Standards Enforcement in the Department of Industrial Relations to identify unlawfully uninsured employers.

(4) (A) This bill would incorporate additional changes to Section 1095 of the Unemployment Insurance Code, proposed by AB 798, to be operative only if AB 798 and this bill are both enacted, each bill amends that section, AB 8 is not enacted, or if enacted, does not amend Section 1095 of the Unemployment Insurance Code, and this bill is enacted after AB 798.
